Proposal Sandvik's Annual General Meeting

[REDACTED]

[REDACTED]

[REDACTED]

[REDACTED]

Sandvik's Board of Directors

Background

The relocation of Sandvik's head office to Stockholm does not bring any added value to the company's head office, the shortage of housing and the fact that university education nowadays is available in the whole country suggests that a head office could be located in any part of Sweden.

Proposal

I therefore propose that the head office is relocated to Sandviken to ensure competent and loyal personnel and also be proud and loyal to its heritage.
